US Embassy and Consulate Contact Info

Americans travelling overseas are encouraged to obtain current information on security concerns with regards to the foreign country to be visited and register with the nearest U.S. Embassy or Consulate through the State Departments travel registration website:

<https://travelregistration.state.gov>

American citizens whom register make it easier for the Embassy or Consulate to contact them in case of an emergency.

Americans who become a victim of a crime while overseas should contact the nearest U.S. embassy, consulate, or consular agency for assistance. However, crime victims may need to contact local police first to obtain immediate assistance with safety concerns, and request a copy of the police report.
